

Dear KNMCT family,

As the day ends, we celebrate our three years as a registered charity aimed at empowering those who for various reasons could not catch up with rest of society in education and societal obligations. KNMCT has attempted to wipe out tears from the eyes of those who perhaps had nowhere to look for help. In doing so, each one of you has had equal share. Your continued support made differences in our efforts to help those without descent houses, suffered from fire, had no money to arrange marriages of young women, no fee to pay for descent education and contributed to paying for healthcare. We claim to be nowhere close to completely tearing out challenges but significant progress in some areas should provide us some assurance that steps are in the right direction. The challenges are enormous and with your good work, we have been increasingly approached to provide help to more individuals and families. Insha Allah KNMCT will move to the next stage and become a strong societal support for our community and poor's.

Following page shows a glimpse of some of the activities completed during calendar Year 2023.

Thanks

Team KNMCT
